DIRECTOR'S CORNER

I hope everyone had a fantastic holiday break. We are excited to be back and ready to start this new semester off strong.

This month we will be talking about all things winter. We will be using our scientific method to observe and make predictions about ice and water. If you see the students under the tables this month, they are pretending to be Michelangelo and painting their "ceilings." We will be listening to Polka music and learning about Scandinavian culture. Later this month we will have Swedish meatballs and pancakes for our cultural luncheon.

Thank you all for your continued support.

-Ms. Elle

2018 Tax Statements will go out by the end of the month
