DIRECTOR'S CORNER

We are very excited to start our monthly curriculum. Summer was fun, but we are ready to get to work!

This month our students will be focusing on school. We will be creating an alien world by using our imagination like Henry P. does in the book. (This book is funny because our teachers have to say all the "alien words"). We will be constructing the Alphabet and focusing on the letters Aa and Oo.

Circles and things that are round will help us grow our large motor skills on the playground.

Balls, Hula Hoops, and Bubbles!!

At the end of the month, we will have a special lunch to celebrate our culture. This month we will highlight Russia on our travels around the globe.

We will be listening and dancing to different styles of Folk Music as our music focus.

The artist this month is Botticelli, make sure you check out the artist of the month boards in each class!

September is looking to be a great month, full of learning and fun.

We are so happy to share all the activities and enrichments we've prepared!!
