STEPS TO ACHIEVING YOUR ELIGIBILITY

Freshmen and Sophomores Must:

- ▶ Start planning now by working hard to earn the best grades possible.
- ▶ Access and print your high school's List of NCAA Courses at www.eligibilitycenter.org by clicking "Resources" at the top of the screen.
- ▶ Take only approved courses that are on your high school's List of NCAA Courses.
- ▶ Register at www.eligibilitycenter.org at the beginning of your sophomore year.
- ▶ If you fall behind, use summer school sessions before your senior year to catch up.

NCAA Eligibility Center Registration

The image displays a digital interface for the NCAA Eligibility Center registration process, designed to look like a wooden bulletin board. At the top left is the NCAA Eligibility Center logo. A navigation bar contains links: Welcome, About the NCAA, Divisions, Sports, For Parents, Resources, and Contact Us. On the left, a Nokia smartphone shows a 'Registered?' screen with instructions. The main area features a large, tilted card with the text: 'Welcome to the NCAA Eligibility Center. Your student-athlete experience begins here. At this site, you'll find the tools and information you need to begin your college experience. Explore this site to learn more about the NCAA, its athletics divisions, its sports and other information. Click on the phone or use the login box in the top right corner to complete your registration for eligibility.' Below this card is a calendar with dates 18 through 31, a photo of a basketball player, and a 'Resources' section. To the right, a 'Checklist:' section lists 'Create account' and 'Complete registration'. Above the checklist is a 'Divisions' tab and a 'About the NCAA' tab. In the top right corner, a login box is visible with fields for 'Username (e-mail)' and 'Password', and a 'Forgot password' link. A man in a dark shirt and jeans stands on the right side of the interface. At the bottom left, there is a Twitter follow button and a red 'Sports' button. A yellow string is tied around the bottom left corner.

Juniors Must:

- ▶ Register to take the ACT, SAT or both and use the NCAA Eligibility Center code “**9999**” as a score recipient.
- ▶ Double check to make sure that you are taking courses that are approved on your high school’s List of NCAA Courses.
- ▶ Request that your high school counselor send an official transcript to the NCAA Eligibility Center after completing your junior year. (*The NCAA Eligibility Center does NOT accept faxed or emailed transcripts.*)
 - Transcripts are accepted electronically through Parchment, Scrip Safe, ConnectEDU, National Transcript Center/Pearson Edustructure, USMO ET and Xap.

Seniors Must:

Continue to take college-preparatory courses.

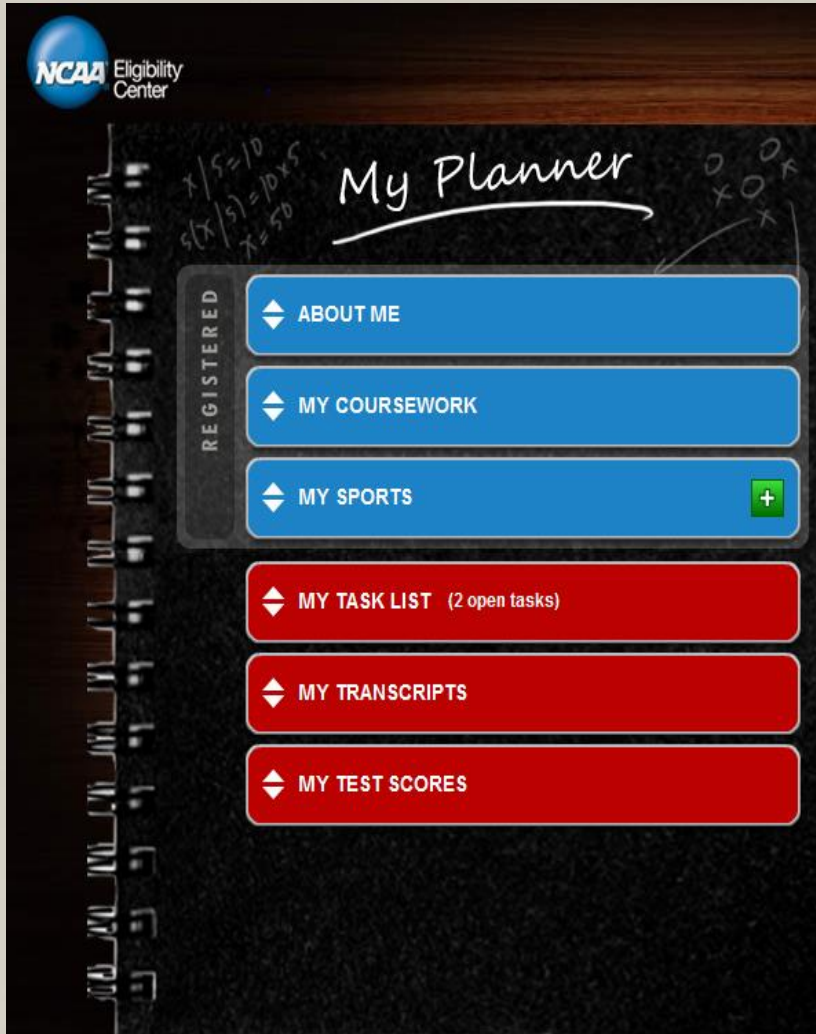

Check your List of NCAA Courses.

Take the ACT or SAT as many times as necessary.

Graduate on time (eight semesters).

Seniors Must:

- ▶ Visit the “My Planner” page after you register online to view your eligibility status and check for any missing information or documents.
- ▶ Review your sports participation (amateurism) responses and request final amateurism certification beginning April 1 (for fall enrollees) or October 1 (for spring enrollees).
- ▶ After graduation, ask your high school counselor to send your final transcript with proof of graduation to the NCAA Eligibility Center.

ACADEMIC INITIAL-ELIGIBILITY REQUIREMENTS

What Is A Core Course?

- ▶ A course that qualifies for high school graduation in one or more of the following: English, mathematics, natural or physical science, social science, foreign language or comparative religion or philosophy;
- ▶ Is considered four-year college preparatory;
- ▶ Is taught at or above the high school's regular academic level;
- ▶ For mathematics courses, is at the level of Algebra I or higher; and
- ▶ Is taught by a qualified instructor as defined by the appropriate academic authority.

What are Nontraditional Courses?

- ▶ Courses taught through:
 - The Internet (online or virtual);
 - Distance learning;
 - Independent study;
 - Individualized instruction;
 - Correspondence;
 - Computer software programs; or
 - Other similar means.

Things to Consider before Taking Nontraditional Courses

- ▶ Must include ongoing access between the instructor and student.
- ▶ Must have a defined time period for completion (i.e., six weeks).
- ▶ Should be clearly identified as nontraditional courses on the high school transcript.
- ▶ Must be four-year college preparatory and need to be comparable in length, content and rigor to courses taught in a traditional classroom setting.

Core-Course Time Limitation

Division I

- ▶ From the time you enter the ninth grade, you have four (4) years or eight (8) semesters to complete your core-course requirement. If you fail to complete high school "on time" in eight semesters, core courses taken after the eighth semester will not be counted toward your NCAA academic-eligibility requirements.
- ▶ "On time" also means that if your high school graduation takes place June 1, you must graduate June 1. If you do not graduate June 1 with the rest of your high school class, you have not completed your requirements "on time."

Division II

- ▶ You are permitted to use all core courses completed from your ninth-grade year until the time you enroll full time at a college or university.

What Are the Initial-Eligibility Requirements?

Academic Requirements

- ▶ Graduate from high school.
- ▶ Complete NCAA-approved courses.
- ▶ Earn a minimum required core-course grade-point average (GPA).
- ▶ Earn a required SAT or ACT sum score.

Early Academic Certification

Students who meet the following criteria after six semesters will be certified as qualifiers:

For Division I: Minimum SAT (math and critical reading) of 900 or minimum sum score of 75 on the ACT; and a core-course GPA of 3.000 or higher in a minimum of 14 core courses:

- ▶ 3 English;
- ▶ 2 math;
- ▶ 2 science;
- ▶ 2 additional core courses in English, math or science; and
- ▶ 5 additional core courses in any area.

For Division II: Minimum SAT (math and critical reading) of 1000 or minimum sum score of 85 on the ACT; and a core-course GPA of 3.000 or higher in a minimum of 12 core courses:

- ▶ 3 English;
- ▶ 2 math;
- ▶ 2 science; and
- ▶ 5 additional core courses in any area.

Division I

Core-Course Requirements

16 Core Courses

- ▶ 4 years English.
- ▶ 3 years math (Algebra I or higher).
- ▶ 2 years natural/physical science (1 year of lab if offered by high school).
- ▶ 1 year additional English, math or natural/physical science.
- ▶ 2 years social science.
- ▶ 4 years additional courses (from any area above, foreign language or comparative religion/philosophy).

NCAA Division I Initial-Eligibility Academic Requirements (New)

There are **new** requirements for college-bound student-athletes enrolling full time at an NCAA Division I college or university on or after **August 1, 2016**.

Summary of Changes

- ▶ Minimum core-course GPA of 2.300 required;
- ▶ Slight change in GPA/test-score index (sliding scale); and
- ▶ Ten core courses required before the beginning of senior year.

The following slides explain these changes in further detail.

NCAA Division I Initial-Eligibility Academic Requirements (New)

For college-bound student-athletes enrolling full time at an NCAA Division I college or university **on or after August 1, 2016**, there are three possible academic outcomes:

1. Qualifier = competition, athletics aid (scholarship), and practice the first year.
2. Academic Redshirt = athletics aid the first year, practice in first regular academic term (semester or quarter).
3. Nonqualifier = no athletics aid, practice or competition the first year.

NCAA Division I Qualifier:

Requirements for Athletics Aid, Practice and Competition (New)

Students will need to meet the following requirements to receive **athletics aid**, **practice** and **compete** their first year:

- ▶ 16 core courses in the following areas:
 - 4 years English;
 - 3 years math at Algebra I level or higher;
 - 2 years natural or physical science (one lab if offered at any high school attended);
 - 1 year additional English, math or natural/physical science;
 - 2 years social science; and
 - 4 years additional from areas above or foreign language, philosophy or comparative religion.

- ▶ Minimum required GPA:
 - Minimum GPA of **2.300** in those 16 core courses.

NCAA Division I Qualifier:

Requirements for Athletics Aid, Practice and Competition (New)

- ▶ Sliding Scale A. *(The full sliding scale can be found at www.eligibilitycenter.org under Resources.)*
 - Minimum sum ACT or SAT (critical reading and math only) score that matches the 16 core-course GPA.
 - Example: 2.500 core-course GPA requires 820 SAT or 68 sum ACT.
 - Example: 640 SAT or 53 sum ACT requires core-course GPA of 2.950.

NCAA Division I Qualifier:

Requirements for Athletics Aid, Practice and Competition (New)

- ▶ Core-course progression.
 - Must complete **10** core courses before seventh semester of high school (e.g., senior year).
 - Of the **10** core courses completed, **seven** must be in the area of **English, math, or science**.
 - These 10 core courses become “locked in” for the purpose of GPA calculation.
 - A repeat of any of the “locked in” courses will not be used if taken after the seventh semester begins.

Academic Redshirt:

Requirements for Scholarship and Practice (New)

If you meet these requirements, you can receive an **athletics scholarship** during your first year at an NCAA Division I college or university.

After the first term is complete, you must successfully complete nine semester hours or eight quarter hours in each applicable term at your college or university to continue to practice for the remainder of the year.

What If You Do Not Meet Either Set of Requirements?

If you do not meet either set of requirements, you are a **nonqualifier**.

A **nonqualifier**:

- ▶ Cannot receive athletics aid during the first year at an NCAA Division I college or university.
- ▶ Cannot practice or compete during the first year at a Division I college or university.

Division III

Core-Course Requirements

- ▶ Unlike Divisions I and II, there is no uniform set of eligibility requirements for Division III schools.
- ▶ Eligibility for admission, financial aid, practice and competition is determined by the college or university.
- ▶ The NCAA Eligibility Center does not perform certifications for Division III college-bound student-athletes.

AMATEURISM (SPORTS PARTICIPATION)

What about Sports Participation?

- ▶ The NCAA Eligibility Center encourages you to update your sports participation (amateurism) information often, especially if you participate in events outside of the normal high school season.
- ▶ Stay college eligible – always ask before you act!

Tell Us About You and Your Sports

In this section, we will ask about the teams you have been a part of, and events you have participated in.

Remember, you have confirmed that you read and understood NCAA Bylaw 10.1 about ethical conduct. So be honest and provide complete and accurate information.

First, select the sport you plan to participate in at the Division I or II level.

If you plan to participate in more than one sport, that's great. You will tell us about your participation in each sport separately. For now, get started by selecting your first sport.
