STUDENT WELFARE WELLNESS AND HEALTH SERVICES

Wellness Policy	Each district must establish a local school wellness policy for all schools participating in the National School Lunch Program and/or School Breakfast program under the jurisdiction of the district. The local school wellness policy is a written plan that includes methods to promote student wellness, prevent and reduce childhood obesity, and provide assurance that school meals and other food and beverages sold and otherwise made available on the school campus during the school day are consistent with applicable minimum federal standards. <i>7 C.F.R. 210.31(a)</i>					
School Day	minu	"School day" means the period from the midnight before, to 30 minutes after the end of the official school day. 7 <i>C.F.R. 210.11(a)(5)</i>				
School Campus	dicti	"School campus" means all areas of the property under the jur diction of the school that are accessible to students during the school day. 7 C.F.R. 210.11(a)(4)				
Contents	At a minimum, a local school wellness policy must contain:					
	1.	activ dent	cific goals for nutrition promotion and education, physical <i>i</i> ty, and other school-based activities that promote stu- wellness. In developing these goals, a district must re- and consider evidence-based strategies and techniques;			
	2.	Standards for all foods and beverages provided, but not sold, to students during the school day on each participating school campus under the jurisdiction of the district;				
	3.	Standards and nutrition guidelines for all foods and be sold to students during the school day on each particip school campus under the jurisdiction of the district that				
		a.	Are consistent with applicable requirements set forth in 7 C.F.R. 210.10 (meal requirements for lunches and after- school snacks) and 220.8 (meal requirements for break- fasts);			
		b.	Are consistent with the nutrition standards set forth un- der 7 C.F.R. 210.11 (competitive food service and stand- ards);			
		C.	Permit marketing on the school campus during the school day of only those foods and beverages that meet the nutrition standards under 7 C.F.R. 210.11; and			
		d.	Promote student health and reduce childhood obesity;			
	4.		tification of the position of the district or school official(s) onsible for the implementation and oversight of the local

			school wellness policy to ensure each school's compliance with the policy;				
		5.	A description of the manner in which parents, students, repre- sentatives of the school food authority, teachers of physical education, school health professionals, the school board, school administrators, and the general public are provided an opportunity to participate in the development, implementation, and periodic review and update of the local school wellness policy; and				
	6.	A description of the plan for measuring the implementation of the local school wellness policy, and for reporting local school wellness policy content and implementation issues to the pub- lic as required below.					
	Public Involvement	A di	A district must:				
	and Notification	1.	Permit parents, students, representatives of the school food authority, teachers of physical education, school health pro- fessionals, the school board, school administrators, and the general public to participate in the development, implementa- tion, and periodic review and update of the local school well- ness policy.				
		2.	Inform the public about the content and implementation of the local school wellness policy, and make the policy and any up- dates available to the public annually.				
		3.	Inform the public about progress toward meeting the goals of the local school wellness policy and compliance with the local school wellness policy by making the triennial assessment, as required at item 2 under Implementation Assessments and Updates below, available to the public in an accessible and easily understood manner.				
	Implementation Assessments and Updates	A di	A district must:				
		1.	Designate one or more district or school officials to ensure that each participating school complies with the local school wellness policy.				
		2.	At least once every three years, assess schools' compliance with the local school wellness policy, and make assessment results available to the public. The assessment must measure the implementation of the local school wellness policy, and in- clude:				

clude:

UPDATE 107 FFA(LEGAL)-P

STUDENT WELFARE WELLNESS AND HEALTH SERVICES
