Due to the current economic and financial climate of districts,
new hires are not as numerous as in past years.
As a result, the format of the annual job fair has been changed.

A one-day, high-demand certification area “Meet and Greet” will be held with
Houston-area districts and charter schools that anticipate openings for the 2012–2013
school year. District and charter school personnel will be available to conduct screening
interviews for anticipated openings.

For a list of attending districts with the high-demand certification area needs,
please go to www.esc4.net/jobfair.
