

THIRD GRADE

(Note: You will be asked to complete a survey at the end of the unit. Please survey your students to find out how many of them have Internet access at home).

Topic: Internet Safety (30 min)

Materials Needed: Computer Lab, paper, markers

Lesson Plan: (30 min. – Computer Lab)

1. Students play interactive activity: Privacy Playground:

http://www.media-awareness.ca/english/special_initiatives/games/privacy_playground/flash/start.html

2. Guided Discussion:

What are some important tips you need to know about internet safety?

- a. Don't give out any personal information in online surveys, registration forms or contents.
 - b. Protect your e-mail address; share it only with friends and family.
 - c. When filling out an online profile, never give your real name, contact information or photo.
 - d. Don't instant message anyone you don't know in the real world
 - e. Never arrange to meet an internet friend in person without a parent or other adult.
3. Activity: Design a bookmark focusing on Internet Safety Tips.
 4. Complete the survey. It is mandatory that you complete the survey once you have completed the unit.
