

# BACK TO SCHOOL INFORMATION

**FIRST DAY OF SCHOOL: AUGUST 23, 2021**

## Dickinson ISD to offer only face-to-face instruction in 2021-2022

Dickinson ISD is looking forward to the start of the 2021-2022 school year on Monday, August 23 as we welcome back all students for face-to-face instruction. Being in-person for school is critical to address academic achievement and provide authentic real-world experiences. In light of this, Dickinson ISD does not plan to offer remote instruction for the 2021-2022 school year. All students enrolled in Dickinson ISD will be expected to be at school every day. When students are not physically present at school, they will be counted absent in accordance with the attendance policy and procedures outlined in the Student Handbook.

## Dickinson ISD transitioning to new learning management system Schoology

Dickinson ISD students and staff will be transitioning to its first ever district learning management system by implementing Schoology starting in the 2021-2022 school year. While the content can be accessed remotely, it is not a substitute for attending school in-person.

At the beginning of the COVID-19 pandemic, Dickinson ISD began using Google Classroom to assist with remote learning; however, it became apparent this past school year that the district needed a permanent learning management system to allow the use of more technological resources.

Schoology offers a platform for blended learning, organization, collaboration, communication, discussion boards, multimedia lessons, as well as a place to submit assignments and allow for easy teacher feedback and grading. Schoology has a simplified navigation, and it is also compatible with multiple types of devices and fully integrates with Google Apps for Education. For parents, Schoology will provide an easy platform where they can communicate with teachers and the ability to link all their students with one DISD parent account. This will remove the need for multiple passwords and different locations.

*The Dickinson ISD summer work schedule is Monday-Thursday, June 7 - July 30, 2021. During this time, all district offices and campuses will be closed on Fridays. The Education Support Center and campuses will also be closed the week of July 5-9, 2021. Regular office hours will resume on Monday, August 2, 2021.*

# Online Registration for RETURNING Dickinson ISD students

All Dickinson ISD families must complete the district's online registration process for returning students from August 2-10, 2021. These are students who attended a Dickinson ISD campus at the end of the 2020-2021 school year and will be returning for the 2021-2022 school year.

The online registration process of verifying and updating information and uploading a current proof of residency must be complete by August 10 in order for the student to ride a bus the first week of school. In the past, parents of returning students had to complete online registration but still bring a copy of a current proof of residency to the campus. However, the proof of residency feature is now part of the online registration process. Once the parent comes to that section of online registration, he or she will be prompted to upload an electronic copy of their current lease agreement or mortgage statement, their most recent tax receipt indicating home ownership or a current utility bill (electronic, gas or water) from the past month. This document must be in the name of the parent, guardian, or other person having lawful control of the student. If the parent can't provide one of the documents in his or her name, then the parent must complete the "Parent's/Guardian's Assurance of Bona Fide Residence" packet at the campus.

In order to complete the online registration process, parents must have their login information (user name and password) for Skyward Family Access. If a parent does not have login information, this can be obtained by showing proper identification in the front office at their child's school. Please make sure you have obtained login information ahead of time so you are not delayed in registering your student online. For parents without access to the Internet, computers and assistance are available at the campuses during designated times to complete the online registration process. Please call the school for specific dates and times when computer assistance is available.

## Pre-K & Kindergarten Enrollment

Dickinson ISD is excited to meet many new Gator students who will be joining us in 2021-2022 for pre-kindergarten and kindergarten.

To be eligible for **Kindergarten**, a student must reside in Dickinson ISD and be five years old on or before September 1, 2021. To qualify for the **Pre-Kindergarten** program, a student must reside in Dickinson ISD, be four years old on or before September 1, 2021, and meet at least one or more of the following criteria:

- unable to speak and comprehend the English language
- is educationally disadvantaged (eligible to participate in the national school lunch program)
- is homeless, as defined by 42 USC, §11434a, regardless of the residence of the child, of either parent of the child, or of the child's guardian or other person having lawful control of the child
- is the child of an active duty member of the armed forces of the United States, including the state military forces or a reserve component of the armed forces, who is ordered to active duty by proper authority
- is the child of a member of the armed forces of the United States, including the state military forces or a reserve component of the armed forces, who was injured or killed while serving on active duty
- is or has ever been in the conservatorship of the Texas Department of Family and Protective Services (foster care) following an adversary hearing held as provided by Family Code §262.201
- is the child of a person eligible for the Star of Texas Award as: a peace officer under Texas Government Code §3106.002, a firefighter under Texas Government Code §3106.003 or an emergency medical first responder under Texas Government Code §3106.

In addition to the normal paperwork required to register a new student, parents registering a pre-kindergarten student based on the economically disadvantaged criteria should bring proof of income such as SNAP number and my benefits page (Supplemental Nutrition Assistance Program), TANF number and my benefits page (Temporary Aid for Needy Families), Medicaid number and my benefits page or most recent paycheck stub.

## School Attendance Zones

If parents have questions about which school their children are zoned to attend, they can input their address into an online database available on the district website at [www.dickinsonisd.org](http://www.dickinsonisd.org). Click on the "Attendance Zones" option under the Quicklinks area on the left-hand side of the homepage.

## Bus Route Information

To look up bus route locations and times, click on the "Bus Route Information" option under the Quicklinks area on the left-hand side of the homepage. The 2021-2022 routes will be available starting a few days before the start of the school year.

# Enrollment of students NEW to Dickinson ISD in 2021-2022

First, welcome to Dickinson ISD. We are excited to have your student join Gator Nation for the 2021-2022 school year.

**Beginning Monday, August 2**, parents of students who are new to Dickinson ISD for the 2021-2022 school year must complete Online Enrollment. If the student will need to ride a bus the first week of school, enrollment must be complete by August 10.

**Step 1: Visit [www.dickinsonisd.org/newenrollment](http://www.dickinsonisd.org/newenrollment).**

If you are enrolling a student new to Dickinson ISD, your first step is to visit [www.dickinsonisd.org/newenrollment](http://www.dickinsonisd.org/newenrollment) for complete details on online enrollment for new students. You will also find important links to complete the online enrollment process through the district's student data system, Skyward.

**Step 2: Accessing online enrollment in Skyward Family Access.**

- If the new student has siblings in Dickinson ISD, AND the parent enrolling the student has a Skyward Family Access log-in, then the parent will login to Skyward Family Access and click on New Student Online Enrollment. A link to the Skyward login page can be found at [www.dickinsonisd.org/newenrollment](http://www.dickinsonisd.org/newenrollment).
- If the new student has siblings in Dickinson ISD, but the parent does not have their Skyward Family Access log-in information, the parent must contact the school of one of the siblings to receive log-in information.
- If the parent enrolling the student does not have a Skyward Family Access login, AND there are no siblings in Dickinson ISD, then the parent must first request an account. You will find a link at [www.dickinsonisd.org/newenrollment](http://www.dickinsonisd.org/newenrollment) to click on to request an account. After requesting an account, the parent will receive an email with their login information.

**Step 3: Contact child's school for a time to submit paperwork.**

After completing the New Student Online Enrollment application, the parent must make an appointment with the campus to complete the enrollment process and provide COPIES of the required documents. The exception is Dickinson High School, which will have specific days (see following page) for paperwork dropoff, transcript evaluation and course selection.

- Student's Birth Certificate
- Student's Immunization Record
- Proof of Residency - current utility bill (electric, gas, or water) or lease/mortgage/tax statement in parent's name
- Valid parent ID (Driver License, passport, or military ID)
- Student's Medication information, if applicable
- Student's Social Security Card (OPTIONAL, but needed if SSN was provided on application)
- Court paperwork for Guardianship(s), if applicable
- Complete copy of Divorce/Custody documents (all pages), if applicable
- Special Education/Section 504 information, if applicable
- Copy of last report card if the student is transferring from another District, as well as the name, address and phone number of the last school attended
- High School students are asked to bring a copy of their unofficial transcript to assist with the selection of course

### ***Proof of Residency***

At the time of enrollment, and on an annual basis thereafter, the parent, guardian, or other person having lawful control of the student under order of a court must present proof of residency in the District as required by law.

Acceptable documentation that may be used to verify residency include:

1. A current lease agreement or mortgage statement;
2. The most recent tax receipt indicating home ownership; or
3. A current utility bill (electric, gas, or water bill from the past month).

These documents must be in the name of the parent, guardian, or other person having lawful control of the student. If the parent can't provide one of the documents in his or her name, then the parent must complete the "Parent's/Guardian's Assurance of Bona Fide Residence" packet at the campus.

For a student living separate and apart from his or her parent, guardian, or other person having lawful control under order of a court, the adult District resident with whom the student resides must provide proof of residency in the same manner as a parent and complete an "Authorization Agreement for Voluntary Adult Caregiver" packet at the campus.

For a non-resident student whose resident grandparent provides a substantial amount of before/after-school care, the grandparent must provide proof of residency in the same manner as a parent and complete the "Grandparent's Before/After-School Care Affidavit for Non-Resident Student" packet at the campus.

The District will investigate stated residency as necessary.

### ***Verification of Residency Information***

In accordance with law, the District may make reasonable inquiries to determine whether the student is a resident of the District, including when a document submitted for purposes of proving residency is not in the name of the adult who is enrolling the student. Based on an individual's circumstance, the District may grant exceptions to the requirement to produce a document listed above. When required by law, the District will waive the requirement to prove residency in the District boundaries. [See Board Policy FD(LEGAL) and FD(LOCAL)]

## 2021 - 2022 Texas Minimum State Vaccine Requirements for Students Grades K - 12

This chart summarizes the vaccine requirements incorporated in the Texas Administrative Code (TAC), Title 25 Health Services, §§97.61-97.72. This document is not intended as a substitute for the TAC, which has other provisions and details. The Department of State Health Services (DSHS) is granted authority to set immunization requirements by the Texas Education Code, Chapter 38.

### IMMUNIZATION REQUIREMENTS

A student shall show acceptable evidence of vaccination prior to entry, attendance, or transfer to a public or private elementary or secondary school in Texas.

Vaccine Required (Attention to notes and footnotes)	Minimum Number of Doses Required by Grade Level											Notes			
	Grades K - 6th						Grade 7th	Grades 8th - 12th							
	K	1	2	3	4	5	6	7	8	9	10		11	12	
Diphtheria/Tetanus/Pertussis (DTaP/DTP/DT/Td/Tdap)	5 doses or 4 doses						3 dose primary series and 1 booster dose of Tdap / Td <i>within the last 5 years</i>	3 dose primary series and 1 booster dose of Tdap / Td <i>within the last 10 years</i>					<p><b>For K – 6<sup>th</sup> grade:</b> 5 doses of diphtheria-tetanus-pertussis vaccine; 1 dose must have been received on or after the 4<sup>th</sup> birthday. However, 4 doses meet the requirement if the 4<sup>th</sup> dose was received on or after the 4<sup>th</sup> birthday.<sup>1</sup> For students aged 7 years and older, 3 doses meet the requirement if 1 dose was received on or after the 4<sup>th</sup> birthday.<sup>1</sup></p> <p><b>For 7<sup>th</sup> grade:</b> 1 dose of Tdap is required if at least 5 years have passed since the last dose of tetanus-containing vaccine.*</p> <p><b>For 8<sup>th</sup> – 12<sup>th</sup> grade:</b> 1 dose of Tdap is required when 10 years have passed since the last dose of tetanus-containing vaccine.*</p> <p>*Td is acceptable in place of Tdap if a medical contraindication to pertussis exists.</p>		
Polio							4 doses or 3 doses								<p><b>For K – 12<sup>th</sup> grade:</b> 4 doses of polio; 1 dose must be received on or after the 4<sup>th</sup> birthday.<sup>1</sup> However, 3 doses meet the requirement if the 3<sup>rd</sup> dose was received on or after the 4<sup>th</sup> birthday.<sup>1</sup></p>
Measles, Mumps, and Rubella <sup>2</sup> (MMR)							2 doses								<p><b>For K – 12<sup>th</sup> grade:</b> 2 doses are required, with the 1st dose received on or after the 1<sup>st</sup> birthday.<sup>1</sup> Students vaccinated prior to 2009 with 2 doses of measles and one dose each of rubella and mumps satisfy this requirement.</p>
Hepatitis B <sup>2</sup>							3 doses								<p>For students aged 11 – 15 years, 2 doses meet the requirement if adult hepatitis B vaccine (Recombivax<sup>®</sup>) was received. Dosage (10 mcg /1.0 mL) and type of vaccine (Recombivax<sup>®</sup>) must be clearly documented. If Recombivax<sup>®</sup> was not the vaccine received, a 3-dose series is required.</p>
Varicella <sup>2,3</sup>							2 doses								<p><b>For K – 12<sup>th</sup> grade:</b> 2 doses are required, with the 1st dose received on or after the 1<sup>st</sup> birthday.<sup>1</sup></p>
Meningococcal (MCV4)											1 dose				<p><b>For 7<sup>th</sup> – 12<sup>th</sup> grade,</b> 1 dose of quadrivalent meningococcal conjugate vaccine is required on or after the student's 11<sup>th</sup> birthday.</p> <p><b>NOTE:</b> If a student received the vaccine at 10 years of age, this will satisfy the requirement.</p>
Hepatitis A <sup>2</sup>							2 doses								<p><b>For K – 12<sup>th</sup> grade:</b> 2 doses are required, with the 1st dose received on or after the 1<sup>st</sup> birthday.<sup>1</sup></p>

**NOTE:** Shaded area indicates that the vaccine is not required for the respective grade.

<sup>1</sup> Receipt of the dose up to (and including) 4 days before the birthday will satisfy the school entry immunization requirement.

<sup>2</sup> Serologic evidence of infection or serologic confirmation of immunity to measles, mumps, rubella, hepatitis B, hepatitis A, or varicella is acceptable in place of vaccine.

<sup>3</sup> Previous illness may be documented with a written statement from a physician, school nurse, or the child's parent or guardian containing wording such as: "This is to verify that (name of student) had varicella disease (chickenpox) on or about (date) and does not need varicella vaccine." This written statement will be acceptable in place of any and all varicella vaccine doses required.

Information on exclusions from immunization requirements, provisional enrollment, and acceptable documentation of immunizations may be found in §97.62, §97.66, and §97.68 of the Texas Administrative Code, respectively and online at <https://www.dshs.texas.gov/immunize/school/default.shtm>.

#### Exemptions

Texas law allows (a) physicians to write medical exemption statements which clearly state a medical reason exists that the person cannot receive specific vaccines, and (b) parents/guardians to choose an exemption from immunization requirements for reasons of conscience, including a religious belief. The law does not allow parents/guardians to elect an exemption simply because of inconvenience (for example, a record is lost or incomplete and it is too much trouble to go to a physician or clinic to correct the problem). Schools should maintain an up-to-date list of students with exemptions, so they may be excluded in times of emergency or epidemic declared by the commissioner of public health.

Instructions for requesting the official exemption affidavit that must be signed by parents/guardians choosing the exemption for reasons of conscience, including a religious belief, can be found at [www.dshs.texas.gov/immunize/school/exemptions.aspx](http://www.dshs.texas.gov/immunize/school/exemptions.aspx). The original Exemption Affidavit must be completed and submitted to the school.

For children claiming medical exemptions, a written statement by the physician must be submitted to the school. Unless it is written in the statement that a lifelong condition exists, the exemption statement is valid for only one year from the date signed by the physician.

#### Provisional Enrollment

All immunizations must be completed by the first date of attendance. The law requires that students be fully vaccinated against the specified diseases. A student may be enrolled provisionally if the student has an immunization record that indicates the student has received at least one dose of each specified age-appropriate vaccine required by this rule. Student must not be overdue for the next dose in a series to be considered provisional. To remain enrolled, the student must complete the required subsequent doses in each vaccine series on schedule and as rapidly as is medically feasible and provide acceptable evidence of vaccination to the school.

A school nurse or school administrator shall review the immunization status of a provisionally enrolled student every 30 days to ensure continued compliance in completing the required doses of vaccination. If, at the end of the 30-day period, a student has not received a subsequent dose of vaccine, the student is not in compliance and the school shall exclude the student from school attendance until the required dose is administered.

Additional guidelines for provisional enrollment of students transferring from one Texas public or private school to another, students who are dependents of active duty military, students in foster care, and students who are homeless can be found in the TAC, Title 25 Health Services, Sections 97.66 and 97.69.

#### Documentation

Since many types of personal immunization records are in use, any document will be acceptable provided a physician or public health personnel has validated it. Validation includes a signature, initials, or stamp. An immunization record generated from an electronic health record must include clinic contact information and the provider's signature/stamp, along with the vaccine name and vaccination date (month, day, and year). An official record generated from a health authority is acceptable. An official record received from school officials, including a record from another state is acceptable.
