EMPLOYEE RECOGNITION PROGRAM

# MEET THE September 2023 Winners

**Dr. Angie Estes**

Coordinator of Data Quality & SIS,  
Educational Services

Dr. Estes hit the ground running when she moved into the role of Coordinator of Data Quality and Student Information Systems this past spring. She quickly assessed the need for and organized the district's first-ever New Student Centralized Enrollment event which brought all campuses together at one location and allowed parents to register their new students all at the same time. During the two-day event, 737 new Dickinson ISD students were enrolled. The district received many compliments on the event especially from parents with multiple children who previously would have had to visit each campus to complete enrollment for their new students. Thank you, Dr. Estes for your dedication in bringing this successful new event to our district.

Ms. Galonek played an integral part in helping to make this event a success by helping Dr. Estes with the planning and then being onsite all 20 plus hours of the event by answering questions and working with the many parents needing to complete residency affidavits.

**Stefanie Galonek**

Secretary to the Assistant  
Superintendent for  
Administration

**Noemi Arrendondo**

Attendance  
Intervention Specialist

Ms. Arrendondo helped throughout the event looking over proof of residency paperwork and assisting with residency affidavit questions.

EMPLOYEE RECOGNITION PROGRAM

# MEET THE September 2023 Winners

**Shelly Carpenter**

Loan Officer, American  
Financial Network

Shelly Carpenter, a Loan Officer with American Financial Network; April Ferguson, Business Development Manager with AMOCO Federal Credit Union; and community member Julie Ferrell all graciously volunteered their time as notaries to help parents needing their residency affidavit paperwork notarized.

**Julie Ferrell**

Community Member

By having this service available at the New Student Centralized Enrollment event, it allowed parents to finish the enrollment process without having to leave and find notary services elsewhere.

**April Ferguson**

Business Development  
Manager, AMOCO
