

CERTIFIED LICENSEE

Prevention Education and Training for K - 12 Schools

About Us

The **PROTECT** Program was formed in 2015 by a coalition of three non-profit organizations

3Strands Global Foundation,
Frederick Douglass Family
Initiatives, and Love Never Fails.

Project Protect Our Children was the first non-profit to become a licensed organization with certified instructors to facilitate implementation of the PROTECT program.

The PROTECT Impact

Through the PROTECT program more than 30,000 adults and an estimated 500,000 children have learned about human trafficking prevention and reporting across America.

An Educated Student is a **PROTECT**ed Student

WHAT'S OFFERED

REPORTING PROTOCOLS

If your school district does not have a human trafficking reporting protocol in place, we have developed templates and materials to help. We will work with your administration to cater a protocol specific to your district.
