

Dickinson Gator Back to School Guide 2024-2025

Changes to transportation guidelines to affect bus service to some students at seven campuses

Changes have been made to Dickinson ISD's bus transportation guidelines for 2024-2025 which will impact groups of students at seven different Dickinson ISD campuses. The Board of Trustees approved the changes at its June board meeting.

The campuses affected by the bus transportation include specific routes at Dickinson High School, Dickinson Junior High, Barber Middle School, Lobit Middle School, Lobit Elementary, Bay Colony Elementary and Calder Road Elementary.

Detailed maps are available on page 2 of this newsletter to show the exact areas which will now be called "walk zones." In these areas, bus service will no longer be provided and parents must find alternate transportation for the student, such as car rider, walker, or bike rider. Please note that these transportation changes do not apply to students in special education who receive specialized transportation services.

Dickinson ISD has traditionally provided bus service for all students, regardless of the distance the student lives to the campus. However, districts only receive state funding for students who live more than two miles from a campus, so the district has always had to make up the difference for those students living closer than two miles to the campus.

Providing bus service for all students has become increasingly difficult due to budget concerns and the struggle to find enough bus drivers to cover the district's growing student enrollment. In the past the majority of Dickinson ISD's boundaries did not include sidewalks and crosswalks; however, as Dickinson ISD has continued to grow, these amenities are now available in many of the new subdivision developments making it possible for students to easily walk to school.

Transition Day designed to ease move to new grade levels

Students entering pre-kindergarten, kindergarten, and grades 4, 6, and 9 will have the opportunity to get ready for the 2024-2025 school year and a new campus by participating in the district's Transition Day. On Wednesday, August 14, students entering these grades will be treated to a special day to become acquainted with their new campus, teachers, schedules and school procedures before the return of all students and the official start of the school year on Thursday, August 15.

Dickinson ISD hopes that providing this day focused on these grade levels will help ease the fear and anxiety students sometimes experience when moving into a new set of grade levels at a different campus. By having these students start a day earlier, campus administrators and teachers will have dedicated time to help the students adjust to the campus and answer questions before other grade levels return. The schedule for the day will run like a normal school day with buses picking up and dropping off students and breakfast and lunch meals in the school cafeteria. Campuses are busy customizing Transition Day plans to meet the needs of their campus students. Parents and students will receive more information about Transition Day in August before the start of the 2024-2025 school year.

DICKINSON ISD TRANSPORTATION WALK ZONE UPDATES FOR 2024-2025

The Board of Trustees approved changes for student bus transportation by naming some areas near campus as walk zones. Starting in August 2024, bus service will no longer be available for specific areas near seven campuses. Parents must find alternate transportation for the student, such as car rider, walker or bike rider. Please note that these transportation changes do not apply to students in special education who receive specialized transportation services.

Dickinson ISD hosting Centralized Enrollment event for all new DISD students August 1-2 at Dickinson High

First, welcome to Dickinson ISD. We are excited to have your student join Gator Nation for the 2024-2025 school year. Dickinson ISD is hosting a Centralized Enrollment event to allow parents to take care of enrolling all of their new students at one location, regardless of which school the children will attend. Dickinson ISD New Student Centralized Enrollment will take place on Thursday-Friday, August 1-2 at Dickinson High School. From 10 a.m.-6 p.m. Thursday and 8 a.m.-3 p.m. Friday, parents of new Dickinson ISD students are invited to Dickinson High School to complete the enrollment process.

STEP 1: Visit www.dickinsonisd.org/newenrollment.

If you are enrolling a student new to Dickinson ISD, your first step is to visit www.dickinsonisd.org/newenrollment for complete details on online enrollment for new students. You will also find important links to complete the online enrollment process through the district's student data system, Skyward.

STEP 2: Access online enrollment in Skyward.

Starting Wednesday, July 24, parents of new students can access online enrollment. These forms must be completed before finishing the enrollment process at the New Student Centralized Enrollment Event on August 1-2.

- **New Students With Dickinson ISD Siblings:**
If the new student has siblings in Dickinson ISD, AND the parent enrolling the student has a Skyward Family Access log-in, then the parent will login to Skyward Family Access and click on New Student Online Enrollment. A link to the Skyward login page can be found at www.dickinsonisd.org/newenrollment. Contact the campus if you need help with log-in information.
- **New Students Without Dickinson ISD Siblings or Parent With No Skyward Account:**
If the parent enrolling the student does not have a Skyward Family Access login, AND there are no siblings in Dickinson ISD, then the parent must first request an account. You will find a link at www.dickinsonisd.org/newenrollment to click on to request an account. After requesting an account, the parent will receive an email with their login information.

STEP 3: Gather all required enrollment documents.

There are several documents needed to complete enrollment for a new Dickinson ISD student. Make sure to gather together all the following documents for each new student. If possible, parents are requested to bring copies of all documents to leave with the campus and make the process run more quickly.

- Student's Birth Certificate and Immunization Record
- Proof of Residency - current utility bill (electric, gas, or water) or lease/mortgage/tax statement in parent's name
- Valid parent ID (Driver License, passport, or military ID)
- Student's Medication information, if applicable
- Student's Social Security Card (OPTIONAL, but needed if SSN was used at a previous district.)
- Court paperwork for Guardianship(s), if applicable
- Complete copy of Divorce/Custody documents (all pages), if applicable
- Special Education/Section 504/medical information, if applicable
- Copy of last report card if the student is transferring from another District, as well as the name, address and phone number of the last school attended
- High School students are asked to bring a copy of their unofficial transcript and/or a copy of their last report card to assist with the selection of courses.

STEP 4: Attend New Student Centralized Enrollment.

Parents of new Dickinson ISD students are asked to finish the enrollment process at the New Student Centralized Enrollment event on Thursday-Friday, August 1-2 at Dickinson High School. Upon arriving at Dickinson High School, parents will be greeted, staff will verify the parent has completed online enrollment for each student and then the parent will be provided a checklist to get stamped by visiting several different stations.

Stations include:

- **Computer Lab** - This will be available for those parents who have not completed online enrollment. Completing the online forms before arriving is highly encouraged to speed up the enrollment process.
- **Documentation Check** - Staff will look over documentation provided by parents to make sure everything required is available. Addresses will be checked to verify school assignment.
- **Notary** - Notaries may be available for parents having to complete residency affidavits.
- **Nurse** - Nurses will look over student shot records to make sure the student has received all required immunizations. Personnel will be available to provide shots, if needed.
- **Campus Tables** - Each Dickinson ISD campus will have registrars and other campus representatives present to confirm information, provide Family Access log-in information, answer questions, and to upload documents.
- **Food and Nutrition Services** - FNS employees will be available to make sure Free/Reduced Meal Applications are completed.
- **Transportation** - Transportation Department representatives will provide information on bus routes.
- **Special Programs** - Special Programs employees will answer questions about students qualifying for these services.
- **ID Pictures** - High school students will have photos taken for their student ID.
- **Counselors for Schedules** - Secondary counselors (grades 6-12) will work with parents and students to request classes.

STEP 5: Instructions for those unable to attend the New Student Centralized Enrollment.

We strongly encourage parents to make plans to attend New Student Centralized Enrollment; however, those unable to attend will need to complete enrollment at each student's campus. Parents must contact each campus starting August 5 for additional information and available appointment times.

STEP 6: Get ready to kickoff the new school year.

Congratulations, your student is now officially part of the Gator family! Sit back and get ready for the start of the 2024-2025 school year. You are encouraged to look through the district's Back to School packet for important information on school supplies, dress code, school calendar, and more.

Online Registration available July 24 - August 7 for returning Dickinson ISD students in 2024-2025

All Dickinson ISD families must complete the district's online registration process for returning students from July 24 - August 7, 2024. These are students who attended a Dickinson ISD campus at the end of the 2023-2024 school year and will be returning for the 2024-2025 school year.

The online registration process of verifying and updating information and uploading a current proof of residency must be complete by the end of the day August 7 in order for the student to receive bus service the first week of school. In the past, parents of returning students had to complete online registration but still bring a copy of a current proof of residency to the campus. However, the proof of residency feature is now part of the online registration process. If for some reason, the parent is unable to upload a proof of residency document, the parent can drop off a copy of the document at the child's school before August 7.

Proof of residency can be a copy of a parent's current lease agreement or mortgage statement, their most recent tax receipt indicating home ownership or a current utility bill (electronic, gas or water)

from the past month. This document must be in the name of the parent, guardian, or other person having lawful control of the student. If the parent can't provide one of the documents in his or her name, then the parent must complete the "Parent's/Guardian's Assurance of Bona Fide Residence" packet at the campus.

In order to complete the online registration process, parents must have their login information (user name and password) for Skyward Family Access. If a parent does not have login information, this can be obtained by showing proper identification in the front office at their child's school. Please make sure you have obtained login information ahead of time so you are not delayed in registering your student online. For parents without access to the Internet, computers and assistance are available at the campuses during the designated times listed below to complete the online registration process. You do not have to go to the campus your student attends.

Dickinson ISD Proof of Residency Requirements

At the time of enrollment, and on an annual basis thereafter, the parent, guardian, or other person having lawful control of the student under order of a court must present proof of residency in the District as required by law.

Acceptable documentation that may be used to verify residency includes:

1. A current lease agreement or mortgage statement;
2. The most recent tax receipt indicating home ownership; or
3. A current utility bill (electric, gas, water bill from the past month).
Cell phone or cable bills are not accepted.

These documents must be in the name of the parent, guardian, or other person having lawful control of the student. If the parent can't provide one of the documents in his or her name, then the parent must complete the "Parent's/Guardian's Assurance of Bona Fide Residence" packet at the campus.

For a student living separate and apart from his or her parent, guardian, or other person having lawful control under order of a court, the adult District resident with whom the student resides must provide

proof of residency in the same manner as a parent and complete a "Guardianship Affidavit" packet at the campus.

For a non-resident student (grades PreK-8th grade) whose resident grandparent provides a substantial amount of before/after-school care, the grandparent must provide proof of residency in the same manner as a parent and complete the "Grandparent's Before/After-School Care Affidavit for Non-Resident Student" packet at the campus. This affidavit is intended for students in eighth grade and under. The District will investigate stated residency as necessary.

Verification of Residency Information

In accordance with law, the District may make reasonable inquiries to determine whether the student is a resident of the District, including when a document submitted for purposes of proving residency is not in the name of the adult who is enrolling the student. Based on an individual's circumstance, the District may grant exceptions to the requirement to produce a document listed above. When required by law, the District will waive the requirement to prove residency in the District boundaries. [See Board Policy FD(LEGAL) and FD(LOCAL)]

2024 - 2025 Texas Minimum State Vaccine Requirements for Students Grades K - 12

This chart summarizes the vaccine requirements incorporated in the Texas Administrative Code (TAC), Title 25 Health Services, §§97.61-97.72. This document is not intended as a substitute for the TAC, which has other provisions and details. The Department of State Health Services (DSHS) is granted authority to set immunization requirements by the Texas Education Code, Chapter 38.

IMMUNIZATION REQUIREMENTS

A student shall show acceptable evidence of vaccination prior to entry, attendance, or transfer to a public or private elementary or secondary school in Texas.

Vaccine Required (Attention to notes and footnotes)	Minimum Number of Doses Required by Grade Level												Notes			
	Grades K - sixth						Grade seventh		Grades eighth-12th							
	K	1	2	3	4	5	6	7		8	9	10		11	12	
Diphtheria/Tetanus/ Pertussis(DTaP/DTP/DT/ Td/Tdap)	five doses or four doses						three dose primary series and one booster dose of Tdap / Td within the last five years		three dose primary series and one booster dose of Tdap / Td within the last 10 years		For K – sixth grade: five doses of diphtheria-tetanus-pertussis vaccine; one dose must have been received on or after the fourth birthday. However, four doses meet the requirement if the fourth dose was received on or after the fourth birthday. ¹ For students aged 7 years and older, three doses meet the requirement if one dose was received on or after the fourth birthday. ¹ For seventh grade: one dose of Tdap is required if at least five years have passed since the last dose of tetanus-containing vaccine.* For eighth – 12th grade: one dose of Tdap is required when 10 years have passed since the last dose of tetanus-containing vaccine. **Td is acceptable in place of Tdap if a medical contraindication to pertussis exists.					
Polio	four doses or three doses												For K – 12th grade: four doses of polio; one dose must be received on or after the fourth birthday. ¹ However, three doses meet the requirement if the third dose was received on or after the fourth birthday. ¹			
Measles, Mumps, and Rubella ² (MMR)	two doses												For K – 12th grade: two doses are required, with the first dose received on or after the first birthday. ¹ Students vaccinated prior to 2009 with two doses of measles and one dose each of rubella and mumps satisfy this requirement			
Hepatitis B ²	three doses												For students aged 11 – 15 years, two doses meet the requirement if adult hepatitis B vaccine (Recombivax®) was received. Dosage (10 mcg /1.0 mL) and type of vaccine (Recombivax®) must be clearly documented. If Recombivax® was not the vaccine received, a three dose series is required.			
Varicella ^{2,3}	two doses												For K – 12th grade: two doses are required, with the first dose received on or after the first birthday. ¹			
Meningococcal (MCV4)							one dose						For seventh – 12th grade, one dose of quadrivalent meningococcal conjugate vaccine is required on or after the student's 11th birthday. NOTE: If a student received the vaccine at 10 years of age, this will satisfy the requirement.			
Hepatitis A ²	two doses												For K – 12th grade: two doses are required, with the first dose received on or after the first birthday. ¹			

NOTE: Shaded area indicates that the vaccine is not required for the respective grade.

¹ Receipt of the dose up to (and including) four days before the birthday will satisfy the school entry immunization requirement.

² Serologic evidence of infection or serologic confirmation of immunity to measles, mumps, rubella, hepatitis B, hepatitis A, or varicella is acceptable in place of vaccine.

³ Previous illness may be documented with a written statement from a physician, school nurse, or the child's parent or guardian containing wording such as: "This is to verify that (name of student) had varicella disease (chickenpox) on or about (date) and does not need varicella vaccine." This written statement will be acceptable in place of any and all varicella vaccine doses required.

Information on exclusions from immunization requirements, provisional enrollment, and acceptable documentation of immunizations may be found in §§97.62, §97.66, and §97.68 of the Texas Administrative Code, respectively and online at <https://www.dshs.texas.gov/immunize/school/default.shtm>.

Exemptions

Texas law allows (a) physicians to write medical exemption statements which clearly state a medical reason exists that the person cannot receive specific vaccines, and (b) parents/guardians to choose an exemption from immunization requirements for reasons of conscience, including a religious belief. The law does not allow parents/guardians to elect an exemption simply because of inconvenience (for example, a record is lost or incomplete and it is too much trouble to go to a physician or clinic to correct the problem). Schools should maintain an up-to-date list of students with exemptions, so they may be excluded in times of emergency or epidemic declared by the commissioner of public health.

Instructions for requesting the official exemption affidavit that must be signed by parents/guardians choosing the exemption for reasons of conscience, including a religious belief, can be found at www.dshs.texas.gov/immunize/school/exemptions.aspx. The original Exemption Affidavit must be completed and submitted to the school.

For children claiming medical exemptions, a written statement by the physician must be submitted to the school. Unless it is written in the statement that a lifelong condition exists, the exemption statement is valid for only one year from the date signed by the physician.

Provisional Enrollment

All immunizations must be completed by the first date of attendance. The law requires that students be fully vaccinated against the specified diseases. A student may be enrolled provisionally if the student has an immunization record that indicates the student has received at least one dose of each specified age-appropriate vaccine required by this rule. Student must not be overdue for the next dose in a series to be considered provisional. To remain enrolled, the student must complete the required subsequent doses in each vaccine series on schedule and as rapidly as is medically feasible and provide acceptable evidence of vaccination to the school.

A school nurse or school administrator shall review the immunization status of a provisionally enrolled student every 30 days to ensure continued compliance in completing the required doses of vaccination. If, at the end of the 30-day period, a student has not received a subsequent dose of vaccine, the student is not in compliance and the school shall exclude the student from school attendance until the required dose is administered.

Additional guidelines for provisional enrollment of students transferring from one Texas public or private school to another, students who are dependents of active duty military, students in foster care, and students who are homeless can be found in the TAC, Title 25 Health Services, Sections 97.66 and 97.69.

Documentation

Since many types of personal immunization records are in use, any document will be acceptable provided a physician or public health personnel has validated it. Validation includes a signature, initials, or stamp. An immunization record generated from an electronic health record must include clinic contact information and the provider's signature/stamp, along with the vaccine name and vaccination date (month, day, and year). An official record generated from a health authority is acceptable. An official record received from school officials, including a record from another state is acceptable.
