

**January 13, 2025**

The Dickinson Independent School District Board of Trustees met on Monday, January 13, 2025 for a regular Board Action meeting. This is a recap of the highlights from the meeting.

## ***Honoring the Board of Trustees during School Board Recognition Month***

Dickinson ISD had a special presentation for board members at the January meeting in celebration of School Board Recognition Month. Seven members of the Dickinson High School Choir each read information about a school board member and told him or her about books donated to the school libraries in the school board member's honor. In addition, board members were presented with items from each campus and the Dickinson ISD Education Foundation, as well as a bag of homemade treats from Food and Nutrition Services.

Every January, school districts across Texas celebrate School Board Recognition Month. The goal of the celebration is to show appreciation and build awareness of the crucial role an elected board of trustees plays in their local schools and communities. The theme of this year's celebration is "Leadership for Tomorrow's Texas." Our Dickinson ISD school board members play a vital role in leading our district forward and providing our 12,500 students and their families, as well as approximately 2,050 employees, with the resources needed for them to be successful.

Serving Dickinson ISD on the Board of Trustees are President Corey Magliolo; Vice President Jessica Rodriguez; Secretary Veanna Veasey; and board members Mary Anthamatten, Kenna Cotton, Mike Mackey, and Jonathan Mills.

### ***DHS TMEA Band Auditions***

Dickinson High School band students recently had the chance to participate in the Texas Music Educators Association All-State audition process. The All-State audition process begins throughout the state in each of the TMEA Regions. Individual musicians perform selected music for a panel of judges who rank each instrument. From this ranking, a select group of musicians advance from their Region to TMEA Area competitions and from there the highest-ranking qualify to perform in a TMEA All-State music group. We are very excited this year to have 60 students overall earning recognition. In addition, three of the 12 students who qualified to compete at the area contest were recognized with a spot in the All-State Band, which is the highest honor a high school band student can achieve. Congratulations to the following DHS honorees.
