

Dickinson ISD

VIRTUAL PROGRAM

PROGRAM HIGHLIGHTS

- Curriculum:** Standards-aligned, online coursework with interactive lessons and assignments
- Schedule:** Structured pacing with flexibility in when and where students complete coursework
- Instruction:** Certified DISD teachers providing instruction, feedback, and support
- Technology:** District-issued student devices
- Support:** Teacher office hours, one-on-one meetings, and regular academic check-ins

THE VIRTUAL PROGRAM IS BEST SUITED FOR STUDENTS WHO:

- Seek flexibility while maintaining high academic standards
- Are organized, self-motivated, and able to manage their time
- Demonstrate persistence and adaptability when faced with challenges
- Are resourceful problem-solvers who seek help when needed
- Communicate effectively and collaborate with teachers and peers

DICKINSON ISD LAUNCHES VIRTUAL PROGRAM FOR GRADES 10-12

Dickinson ISD Virtual Program (Grades 10-12) offers a structured, teacher-led learning experience with flexibility to learn from home or on the go. Students receive instruction from certified teachers while benefitting from a schedule that can better support extracurriculars, work, travel, or personal needs. Visit <https://bit.ly/DISDVirtualProgram>
